ORIEN BITES®

Exotic Taste of Orient

About OrienBites

With years of experience in the finger food industry, OrienBites offers a wide range of delicious and high-quality Asian food. We work passionately to recreate the exotic taste of Asia with modern standards and technologies. Each piece of our Oriental snacks is made by hand using the best local ingredients to preserve the authentic taste and spirit of Asia in every bite. Whether you need to enrich your menu or prepare for a themed event, OrienBites will be your trusted partner!

Our Clean Label Guarantee

The OrienBites Clean Label Guarantee is our commitment to the consumers' health and well-being

- Natural flavours only: No flavour enhancers were used in the manufacturing process of our products to preserve the original quality and flavour of the original ingredients.
- Free of artificial preservatives: We do not use artificial preservatives in any of the products within our range.
- No polyphosphate soaking: In order to preserve the natural taste and texture of the products.
- Natural Colouring: We use 100% natural food colouring in all our products.

SUSHI SELECTION
Code: FF-OBCN-083
1kg (56 pieces) x 6 packs per carton

Beef 'n' Cheese

Our Beef 'n' Cheese combines the finest European beef with traditional Japanese savoir-faire to deliver a one-of-a-kind experience. Each skewer is made using ages-old Japanese grilling method, imparting a unique smoky flavour. We use authentic gouda cheese for the best taste and texture. To elevate the dish even more, pair the skewer with traditional soy sauce for a touch of umami delight. To ensure the best experience, we source our beef in Europe.

BEEF 'N' CHEESE
Code: FF-OBCN-164
1.05kg (30g x 35 pieces) x 10 packs per carton

Samosa

A samosa is a popular snack originating from the Indian subcontinent. It is a fried or baked pastry filled with a savory mixture, typically consisting of spiced potatoes, peas, and sometimes meat. Samosas are known for their crispy exterior and flavorful filling, making them a favorite at tea time, parties, and street food stalls. They are often served with chutneys or sauces for an extra burst of flavor.

COCKTAIL SAMOSA
Code: FF-OBCN-001

Sustainability Initiatives

At OrienBites, our passion for authentic Asian finger foods goes hand in hand with our responsibility towards the planet. We are committed to sustainable sourcing, working closely with certified partners to select high-quality, responsibly harvested ingredients, from sustainably caught seafood to ethically raised poultry and farm-fresh vegetables.

Across our supply chain, we continuously optimize cold-chain logistics to minimize our carbon footprint, reduce food waste through precision portioning, and transition toward recyclable, eco-conscious packaging materials. For us, delivering genuine culinary tradition means safeguarding the resources of tomorrow.
