Enhance the S3NS Experience through ISVs

Improving S3NS journey with **ISV partner solutions :**

- Facilitate **innovation** with access to a wide catalog of solutions, leveraging multiple business use cases
- Simplify **interoperability** , deployment, and integration of ISVs on S3NS customer environment

Contractual simplification & **unique billing** process :

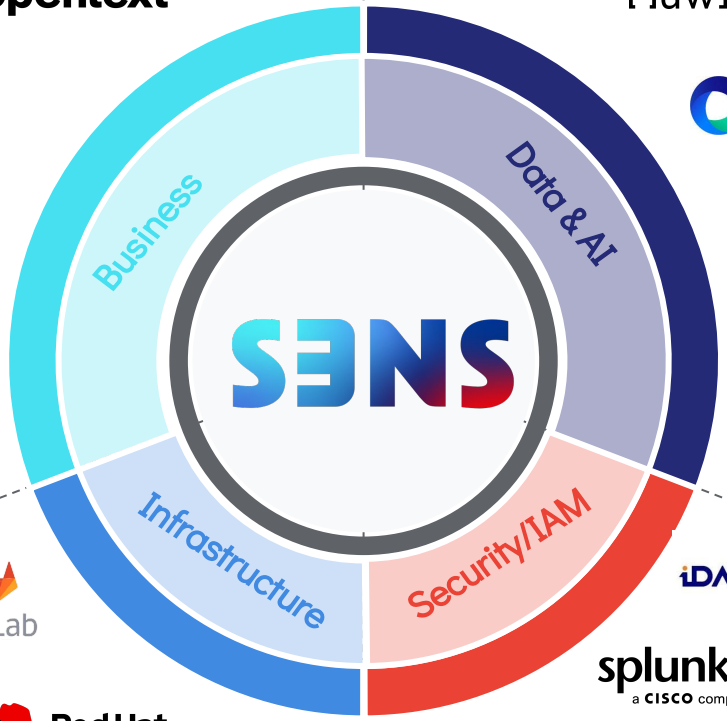

- Create bundled packages that combine S3NS services with ISV solutions

Ensure **technical readiness** - testing phase to confirm availability on S3NS
