

Go beyond ticketing with Smeetz

Smeetz is an AI-powered commerce intelligence platform that helps visitor attractions capture and leverage data across all channels to optimise operations, drive revenue and delight visitors.

Unified Commerce

Get started on a powerful and modern commerce solution to sell your **tickets**, **retail** and **F&B** products through **online** and **onsite** sales channels from a centralised inventory.

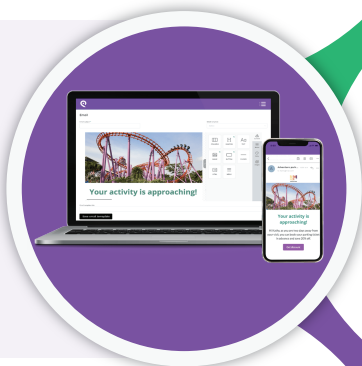

Revenue Management

Use AI-based **dynamic pricing** and **cross-selling strategies** to sell the right product, to the right customer, at the right price and **increase your revenue**.

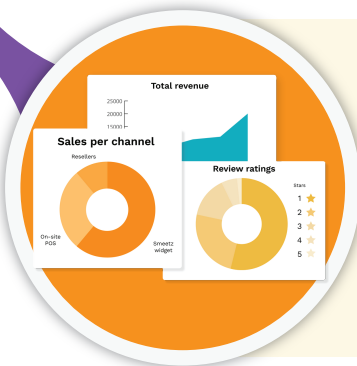

Marketing Intelligence

Engage with your visitors at every touchpoint of the customer journey with **email automation campaigns** designed to **grow sales** and **build loyalty**.

Performance Insights

Optimise your operations with **predictive analytics** and **data insights**. Monitor social platforms to turn unhappy visitors into fans and **improve guest satisfaction**.
