

LESAUT

LESAUT

'Human beings and creatures share the same land,
it is we humans are the ones with the power to preserve the planet'

LESAUT

LeSaut :

LESAUT is a sustainable fashion brand that believes in the power of small movement.

**Designed with beauty in mind and meaning at heart,
we craft thoughtful pieces from recycled fabrics and vegan leather.**

**LESAUT is about finding harmony between design and values.
The word is used in ballet, a visual art expressed through balance.
Through each collection, we offer better choices for everyday life.**

Concept

Each collection is inspired by the human experience,
reinterpreted from multiple perspectives
and expressed through silhouettes and intricate details

Vision

We aim to inspire a more intentional way of living.
Each piece is crafted to be present in your everyday moments,
reflecting a way of life in harmony with nature and humanity.

Value

Responsibility

Belive that design choice carries weight.
By using recycled fabrics, vegan leather,
we pursue a quieter, more sustainable way forward.

Craftsmanship

Focus on value the integrity of how things are made.
Each piece is locally crafted in Korea, ensuring quality.

Balance

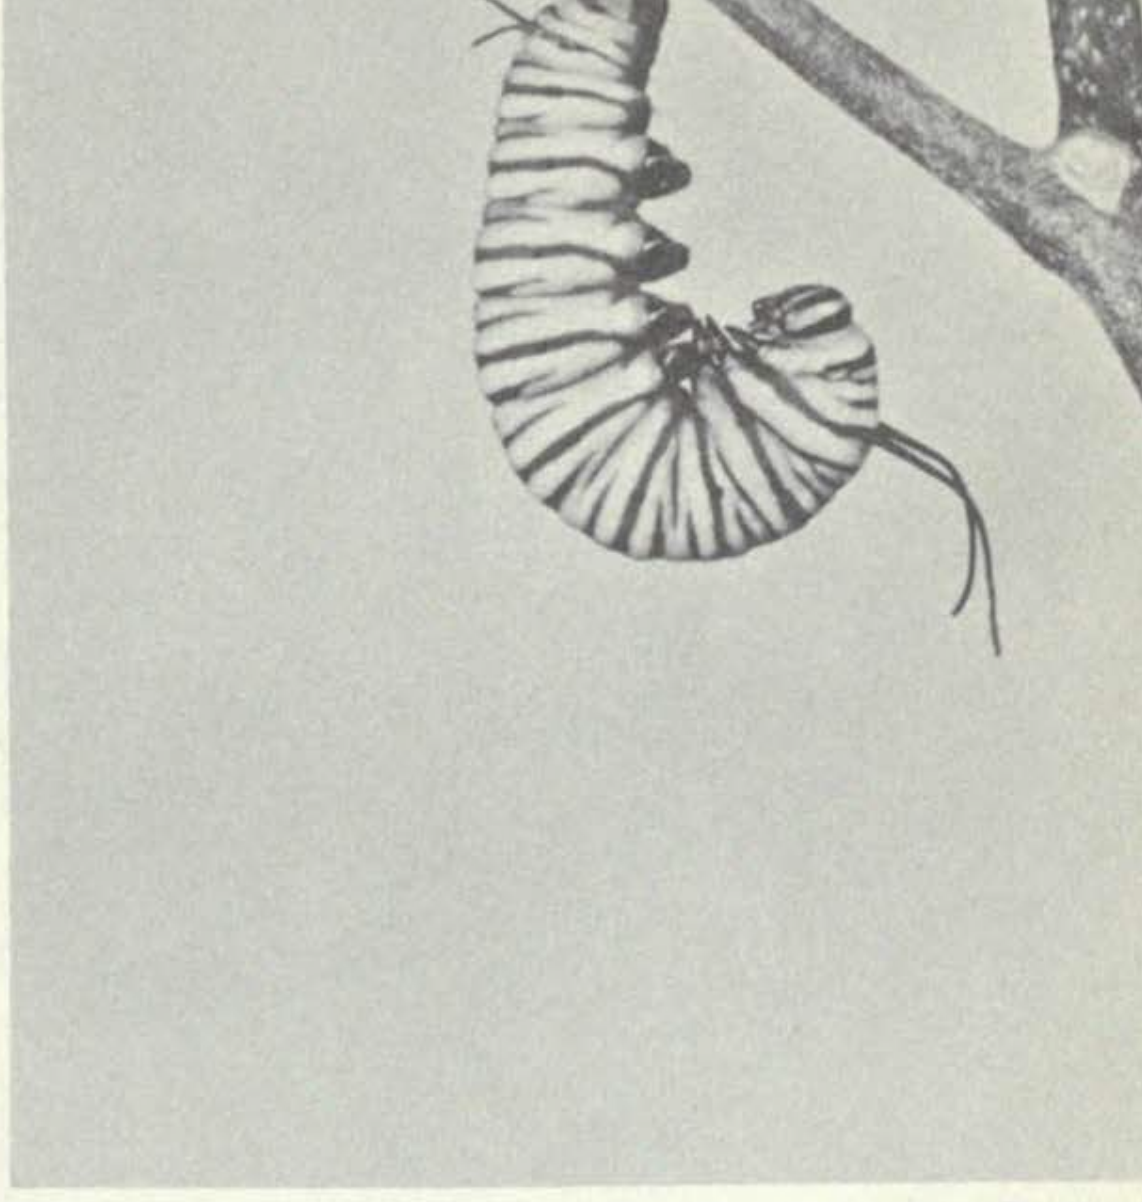

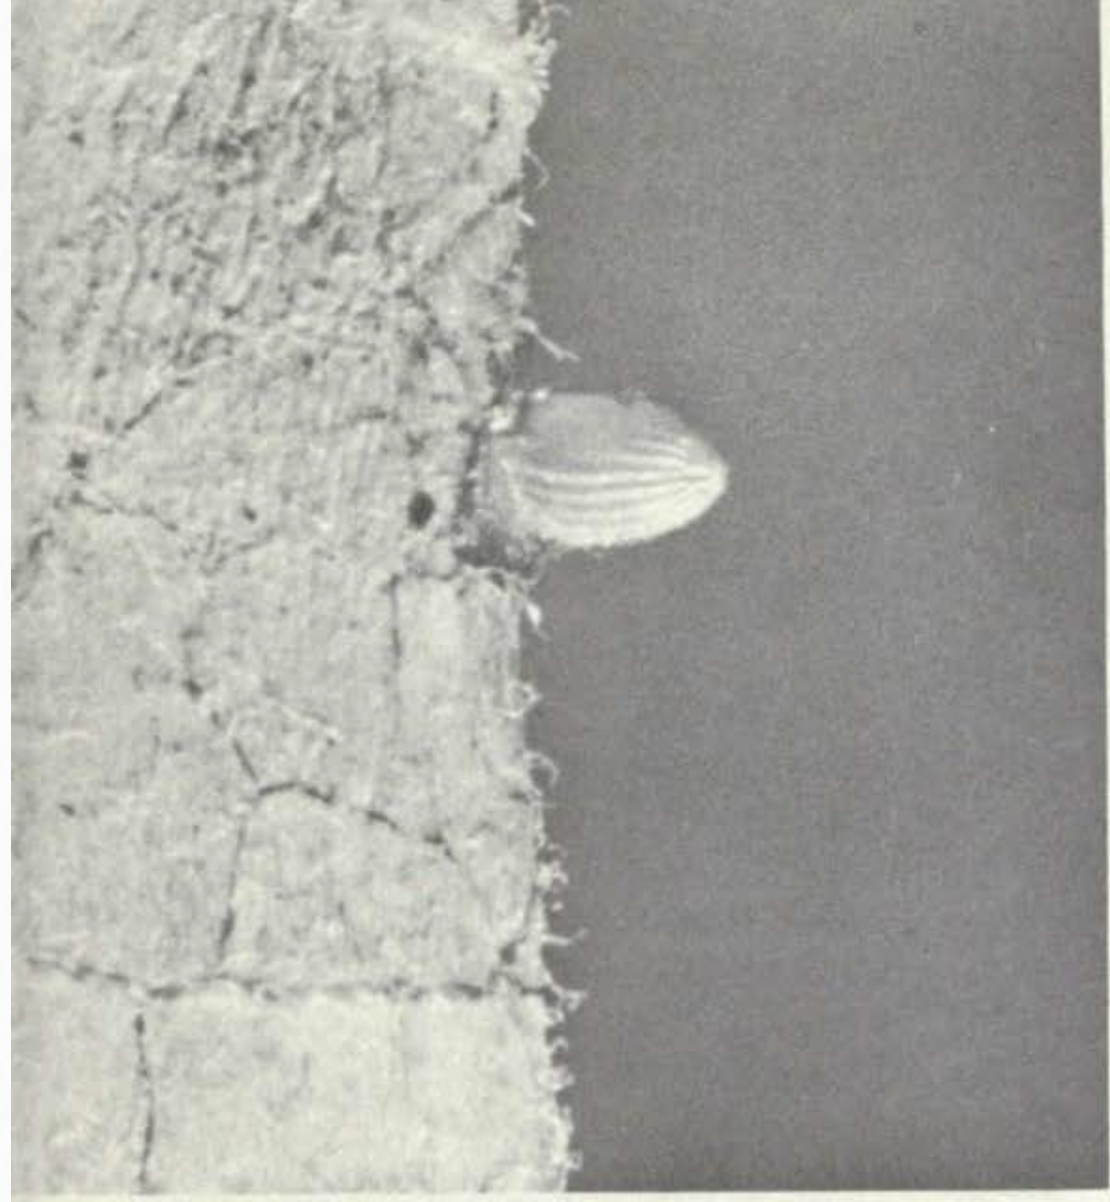

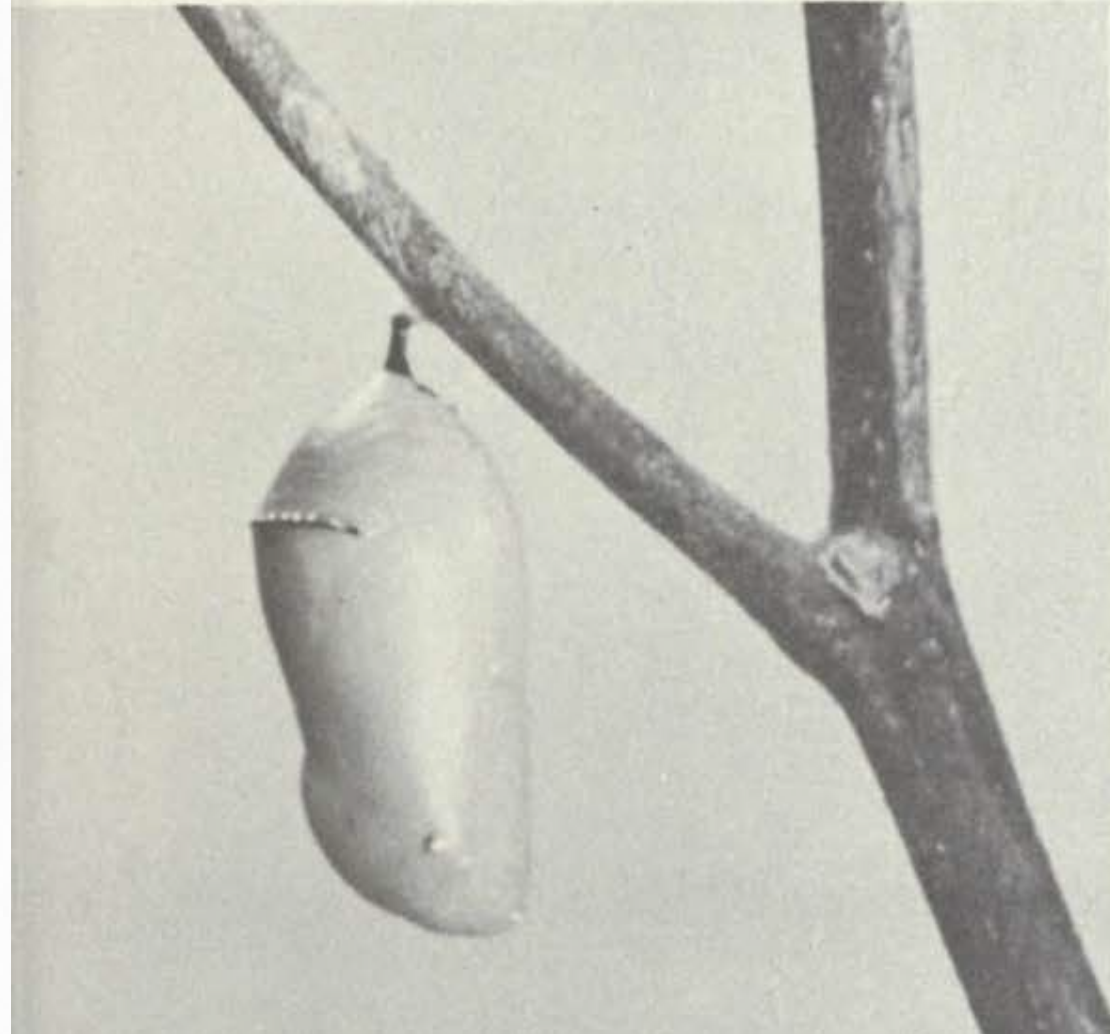

Seeking harmony in everything we create.
Function and beauty, intention and emotion,
each design reflects the balance we believe in.

Identity

Rooted in the belief that mindful choices lead to a better world.

Gochi Collection

Inspired by the chrysalis stage of a butterfly's life cycle, the Gochi Collection is a visual expression of metamorphosis and growth in life.
