LAST EDIT 12 JULY

HELLO!

Greetings and welcome to our latest product catalogue. We cater to a wide variety of markets and within these pages hope you will find an interesting selection from which to build and enhance your range. New styles are added regularly throughout the season so please do check our website on a regular basis for the latest products, seasonal lines and special offers.

We realise it is sometimes difficult to ascertain the exact quality, texture or colour from a picture. We are very happy to provide samples, the cost of which will be offset against any subsequent order.

Items are supplied as shown or carded and packaged, bar coded and retail priced as required. We also stock a range of POS displays, please enquire for details or review on the web site.

TERMS, CONDITIONS & POLICIES

PRICES:

The prices quoted in the catalogue are 'ex-works' and are subject to change without notice.

Shortly after placing an order you will receive a 'Confirmation of order' which you should check to make sure the prices are as ordered or are acceptable.

Prices are revised early each year to take account of currency movements and changes in costs which have occurred in the previous 12 months. We aim to provide our customers with the best items, quickly and at the best prices. Sometimes these aims are mutually exclusive but we will not sell identical products at a price higher than competitors. If you find an item we are selling elsewhere at a lower price please advise us and we will sell that item to you at that lower price.

MINIMUM ORDER:

There is no minimum order but orders of less than £100 (€120, \$140) will be surcharged £10.00 (€12,\$14) for handling and packing.

The minimum quantity that can be ordered of a particular item is a pack. The pack quantity is noted in the catalogue.

DELIVERY TIME

Wholesale orders for items which are in stock will be despatched within 48 hours. Items which are not in stock will be recorded as a 'balance of order' and if economic will be despatched when they become available with shipping at our expense.

Orders requiring special packing and orders for large quantities will take longer to despatch. If 'time is of the essence' then it should be noted on the order and the required delivery 'window' specified by earliest and latest dates.

DELIVERY CHARGE:

Wholesale orders will incur a shipping charge as detailed in the table below with the following exceptions;

UK – orders placed at GBP catalogue prices in excess of £300 will be delivered to UK mainland destinations free of charge.
