

Finance Performance & Analysis Strategist

Location: Estrées-Saint-Denis (France)

About Us

JSP is quoted on the Tokyo stock exchange and is a worldwide leader and specialist in EPP manufacturing and plastic transformation (injection moulding, extrusion, blow moulding) delivering solutions for many sectors including Automotive, HVAC, transportation, sporting goods and more.

As part of our transformation and future-focused evolution, we are recruiting a Finance Performance & Analysis Manager to play a key role in financial performance, strategic anticipation, and the digital transformation of our EMEA Finance organisation. (9 legal entities spread across Czech Republic, France, Germany, Italy, Switzerland and UK)

If you enjoy bringing clarity to numbers, structuring high-impact processes, and supporting business leaders in their decisions, this role is for you.

Responsibilities include:

- Deliver accurate, timely and reliable budget, forecast and rolling projections.
- Contribute to the development of long-range corporate plans through robust financial modelling and close collaboration with cross-functional teams. Act as a business partner.
- Contribute to the preparation and analysis of consolidated financial statements, ensuring consistency with accounting principles and group reporting requirements.
- Support finance teams in financial analysis, reporting, and accounting matters, acting as a key business partner.
- Turn complex data into actionable insights and recommendations that support strategic decision-making and strengthen alignment across the organisation.
- Drive the digitalisation of Finance by deploying consolidation tools, advanced analytics, dashboard and automation solutions to increase efficiency and reduce manual workload.

Requirements

- Prior experience in financial planning and consolidation is a plus; solid financial fundamentals and motivation to develop in this area are equally valued
- Strong financial modelling and data analysis skills
- Strong interest in digital transformation
- Proficiency in Excel, Power BI and other modern reporting tools
- Ability to translate complex data into clear and understandable insights.
- Fluent in English & French, proficiency in one of those languages: is a plus Czech, German, Italian
- Excellent communication and influencing skills

Our Offer

- A permanent full-time contract in a sustainable, multicultural, collaborative and innovation-oriented company.
- A dynamic, evolving environment, real autonomy and room for modernise existing organisation
- A careful onboarding plan, supported by manager and cross functional colleagues.
- 30 vacation days per year
- Arts & Sports allowance and additional benefits

JSP EMEA is a subsidiary of JSP Tokyo, benefits from a worldwide business environment and has more than 400 employees spread over 4 main sites (Czech Republic, France, Germany and Italy).

As the market leader with ARPRO, we develop innovative and sustainable solutions to make products safer, lighter, more cost effective and sustainable. For more information visit www.ARPRO.com.
