CATALOGUE 2025

You make little wonders ?

**WE MAKE THEIR
FEEDING BOTTLES**

UNIQUE PRODUCTS IN THE WORLD !

Our bottles are made of a premium material (Copolyester), which is ultra-transparent, lightweight, and durable, but above all, it's the only one that **doesn't release plastic microparticles** into baby's milk.

Seen under the microscope,
 Study from the SGS laboratory (2021)

*Le Biberon
 Français*

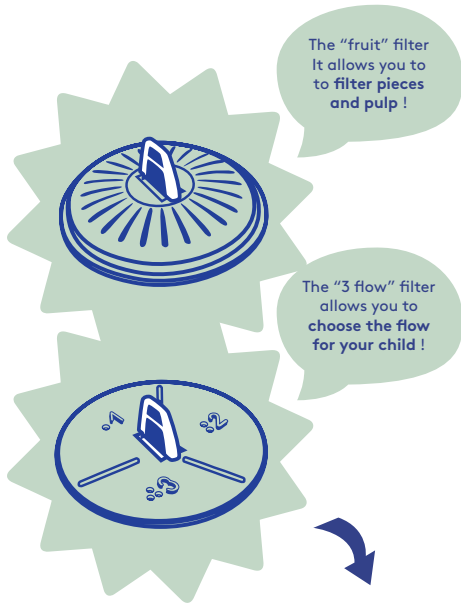

95% of plastic baby bottles
 available on the market
 (polypropylene)

Our bottles (made of
 Copolyester)

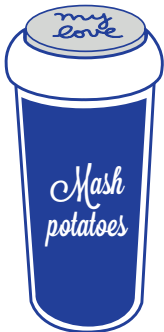

The only
 certified bottle

Our bottles **do not absorb the smell or color of food**, making them the **most sustainable** baby bottles in the world.
