

Technology for the Guest Economy

One platform. Unlimited opportunity.
Unite restaurant and retail in one
system with **accesso FreedomSM**
the game-changing, cloud-native
retail, food and beverage platform
that serves up powerful performance.

Delight Your Guests

Unify the Experience

Streamline Operations

Increase Your Revenue

Restaurant & Retail. Fast & Frictionless.

Today's guests expect exceptional experiences, and **accesso Freedom** can help your venue deliver. Meet guests anywhere, on any device with beautiful and intuitive ordering experiences. Providing a comprehensive view of a venue's sales points, **accesso Freedom** empowers operators to easily manage, control and enhance guest engagement unlike ever before.

Unify All F&B and Retail Operations

Run pro-grade kitchens and gift shops from one platform. Manage menus, modifiers, inventory and barcodes from a single back office, eliminating add-ons or double data entry.

One platform for Every Touchpoint

Fixed POS, handheld mPOS, self-service kiosks and mobile ordering all talk to the same cloud. Guests enjoy a consistent experience everywhere, while staff master one interface that keeps lines short and smiles wide.

Promotional Powerhouse

Launch happy-hour pricing, BOGO merch deals or member-only discounts in minutes with no code required. Precision rules target time, basket value or loyalty tier, turning Freedom into your highest-converting marketing channel.

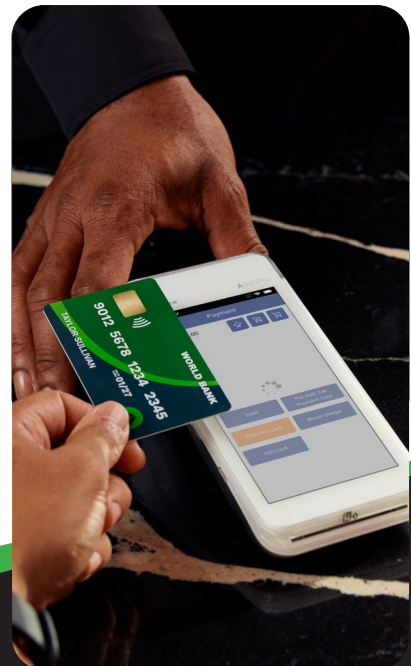

Plug and Play Integrations

Connect instantly to **accesso** apps like **accesso Passport®** and **accesso SiriuswareSM** as well as inventory management and property management systems. Open APIs make adding payment, loyalty or analytics tools a breeze, so your technology stack evolves effectively.

Real-Time Data and Always-On

Live dashboards surface best-sellers, stock alerts and upsell success in one glance, while **accesso** experts stand by to keep every lane going. Decisions get sharper, service gets faster and revenue keeps climbing all season long.

"Today's guest requires convenience and flexibility and the industry needs a solution that can deliver. With **accesso Freedom, this unique, highly configurable SaaS platform is powerful enough to scale effortlessly for venues of any size across the entire leisure, entertainment and hospitality sectors."**

Steve Brown, *accesso* CEO.
