Eventuais is a global events provider driven by a passion for events and communication, offering comprehensive solutions across both sectors. We look forward to welcoming you to Portugal for your next unforgettable event, bringing your vision to life in an extraordinary setting.

Specializing in the MICE sector (Meetings, Incentives, Conferences, Exhibitions) and private events, Eventuais adopts a global approach, working closely with clients from the initial planning phase. Our team ensures flawless project management, communication, production and coordination of all services and equipment required for the events full execution.

We can also provide targeted support for specific aspects of your event, including the booking of national or international artists, entertainment, audiovisual services, multicam setups, livestreaming, structures, lighting, decoration and entertainment equipment.

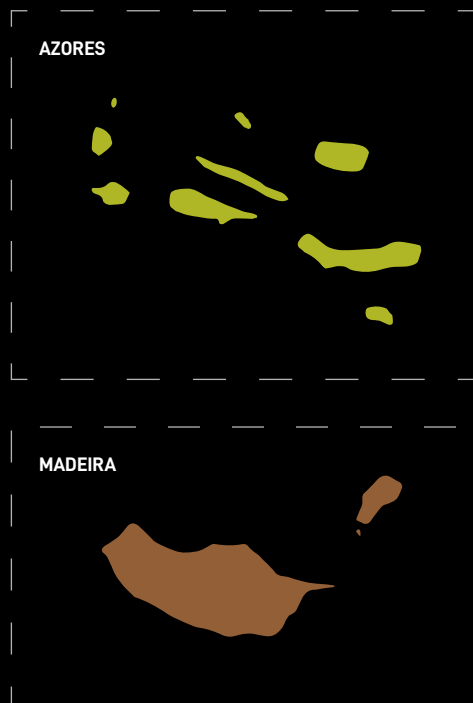

In Portugal, we can also be your partner for DMC services, including transportation, hotel accommodations, restaurant arrangements, venue finding and activity planning.
