MATRICE DELLA QUALITÀ

The background of the entire page is a photograph of an industrial manufacturing facility, likely a stainless steel deep drawing plant. The image is heavily tinted with a green color. It shows various pieces of industrial machinery, including large rollers, conveyor systems, and structural frames. In the lower-left corner, a worker in a white lab coat is visible, focused on a task. The overall scene conveys a sense of advanced industrial technology and manufacturing precision.

## Innovative spirit and advanced technology

Bravo Inox è una realtà italiana che da più di 30 anni opera nel settore del profondo stampaggio dell'acciaio inox. Attraverso una solida organizzazione, professionale e qualificata, offre soluzioni di alto valore tecnico, estremamente personalizzabili, destinate a soddisfare le più diverse e complesse esigenze produttive.

Bravo Inox is an Italian company that has been active for over 30 years in the sector of deep drawing stainless steel. Through a solid, professional and qualified organisation, we offer solutions with high technical value, which are highly customisable and able to meet the widest range of complex production needs.

## I NOSTRI VALORI OUR VALUES

**Certificazione qualità ISO 9001:2015**  
ISO 9001:2015 Quality Certification

### Certificazione ASME "U"

Costruzione di recipienti a pressione in conformità al codice ASME BPVC Sezione VIII Div. 1. Certificato di autorizzazione nr. 58916

### Certification ASME Mark "U"

Manufacturing of pressure vessels in accordance with ASME BPVC Section VIII Div. 1. Certificate of Authorization no. 58916

### Certificazione TÜV

Certificato n. 523- 617-2021. Qualità per la saldatura per fusione dei materiali metallici in accordo alla UNI EN ISO 3834-2:2021.

### TÜV Certification

Certificate no. 523- 617-2021. Quality for fusion welding of metallic materials in accordance with UNI EN ISO 3834-2: 2021.

### Certificazione TÜV

Certificato n. TÜV SÜD - MUC - DG - 3113067. 2021.003 Produzione di attrezzature a pressione in conformità alle norme AD 2000-Merkblatt HP 0 e EN 13445-4.

### TÜV Certification

Certificate no. TÜV SÜD-MUC - DG - 3113067.2021.003 Manufacturing of pressure equipment in accordance with the AD 2000-Merkblatt HP 0 and EN 13445-4 STANDARDS.

Completezza del prodotto e del servizio, incessante rinnovamento tecnologico, investimento continuo in ricerca e sviluppo, organizzazione orientata al *miglioramento continuo*, valorizzazione del concetto del Made in Italy nel mondo: queste le nostre direttrici strategiche per rappresentare oggi e in futuro il punto di riferimento per il mercato.

Completeness of the product and service, unceasing technological renewal, continuous investment in research and development, an organisation geared towards the concept of *continuous improvement* and making the most of the Made in Italy concept worldwide: these are the strategies that guide the company to represent a reference point for the market, both today and in the future.

## PARTNERSHIP

## PROGETTAZIONE E REALIZZAZIONE STAMPI

### MOLD DESIGN AND PRODUCTION

#### LAVORAZIONI:

- Stampi
- Fresatura CNC tridimensionale con sistema CAD - CAM

#### PROCESSING:

- Molds
- CNC milling system with three dimensional CAD-CAM

#### CUSTOM MADE BOWL BOTTOM

▲ Realizziamo forme diversificate, fori di scarico ed eventuali altre lavorazioni accessorie sui fondi delle nostre friggitrice, a seconda delle vostre specifiche esigenze.

▲ We make the bottom shape, the holes and any other individual manufacturing according to your request.

Foratura per inserimento resistenza  
Hole for electrical resistance

Tubi per bruciatori e tubi filettati di scarico  
Burner pipes and threaded drain pipes

Deflettori per fumi  
Fumes deflector

Livelli minimo - massimo  
Min-max level marks

Scarichi filettati  
Threaded drain pipes

Codolo lungo - Large cold zone

Fondo piano - Flat bottom

Fondo semi piano - Flat bottom

Zona fredda - Cold zone

Fondo conico - Shaped bottom

Codolo corto - Small cold zone

## CENTRIFUGHE DA LABORATORIO

LABORATORY CENTRIFUGES

The image shows the Bravo inox logo, which consists of the word "Bravo" in a bold, sans-serif font with a registered trademark symbol, and "inox" in a smaller, italicized font below it. The background of this section features a collage of three images: a blue triangle, a green triangle, and a black and white photograph of a laboratory setting with a centrifuge.
