Company Profile

From Past To Future

"Founded in 1958 as one of Turkey's first industrial kitchen equipment manufacturers, Öztiryakiler has grown from a 50 m² workshop into a global operation with over 1,600 employees and a 130,000 m² modern production facility."

öztiryakiler

HOSHIZAKI

We are proud to be a partner of
HOSHIZAKI CORPORATION

Today, Öztiryakiler is the leading company in its sector with more than 400 local and foreign distributors and aftersales service providers. By December 2019, Öztiryakiler has become a partner of **HOSHIZAKI CORPORATION**, one of the top three manufacturers of kitchen equipments in the World. The joint of the two leading companies strength and experience has resulted with better products and better customer satisfaction.

Company Name	: Hoshizaki Corporation
Date of Founding	: February 5, 1947
Head Office	: Toyoake, Japan

Total Production Area 138.000m²

Quality Policy

As Öztiryakiler, we undertake;

- To comply quality management system principles and to prove continuous development of system efficiency.
- To meet the customer's requirements perfectly.
- To apply the efficient training programs at each unit.
- To use modern production techniques.
- To provide continuity of activities of design and & research development.
- To carry on effective marketing researches .
- To provide after – sales services.

Management System Certificates

Quality Certificates

Environmental Policy

With our Phase 1 approval of the European Green Deal Responsible Program, we are breaking new ground in the Industrial Food Sector!

We have successfully completed our Phase 1 Current Situation Analysis and Sustainability Roadmap process as part of the Responsible Program, in collaboration with the consulting firm Escarus (TSKB Sustainability Consultancy) and officials from the Ministry of Trade. We are proud to be a first in our sector for this project, which has already received approval from 83 companies across Turkey.

As Öztiryakiler, we continue to add value to both our sector and the future on our sustainability journey with our philosophy of Respect for the Planet, Social Contribution, and Corporate Governance.

PRODUCT OVERVIEW

ozti
CREATING THE
PERFECT KITCHEN
since 1958

MAIN KITCHEN EQUIPMENTS

Cooking Equipment

600-700-900 Serie

Hygiene

- Monoblock cooktop
- Max heat retention
- Fat collection
- Splash guards

Performance

- Pilot light in each burner
- Brass burners
- High power output

Safety

- Flame failure safety
- Overheat protection
- Safety thermostats
- Safety valves

Combi & Convectional Ovens

Performance

- 10-inch Touch-Sensitive Control panel
- Powerful Steam
- Free Cooking
- Intelligent Tray Feature
- Heating System
- High Capacity

Hygiene

- High Quality Stainless Steel
- Automatic Washing Mode
- Radiused Inner Liners
- Curved Base Corners
- Automatic drainage

Main Kitchen Equipments

Refrigeration Chiller/Freezer

Hygiene

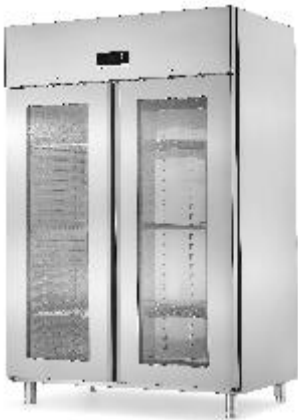

- Radiused Inner Liners
- Curved Base Corners
- Washable Interior
- High Quality Stainless Steel
- Removable Gaskets
- Heavy Duty Runners

Performance

- Mono – block Refrigeration Unit
- Tropicalized Cooling System
- Intelligent Defrost System
- Wire – Frame Special Condenser
- Homogenous Air Circulation
- Hidden Evaporator

Energy Saving

- 80mm Insulated Walls
- Automatic Fan Cut-Out Switch
- Internal Led Light
- Self Closing Doors

Banquet Trolley

Performance

- Heating System
- Capacity
- Caster

Energy Saving

- 70mm Insulated Walls
- Eco Friendly Polyurethane
- Removable Triple Chamber Gasket

Hygiene

- Radiused Inner Liners
- Curved Base Corners
- Washable Interior
- High Quality Stainless Steel

Main Kitchen Equipments

Dishwashers

Performance

International standard compliant wiring
Thermostat controlled water temperature
Check-valve system

Hygiene

S/S washing and boiler tank
IPX5 Water Protection
Washing temp. 55-60°C
Rinsing temp. 80-85°C

Energy Saving

Energy efficient
Adjustable detergent dosage
Water friendly

Preparation Equipment

Hygiene

S/S Bowl, safety guard, mixing tools
Non-clogging filters
HACCP compliance
Easy to clean

Performance

Inverter drive
Noise and vibration free
Robust
Wider cycle scale

Safety

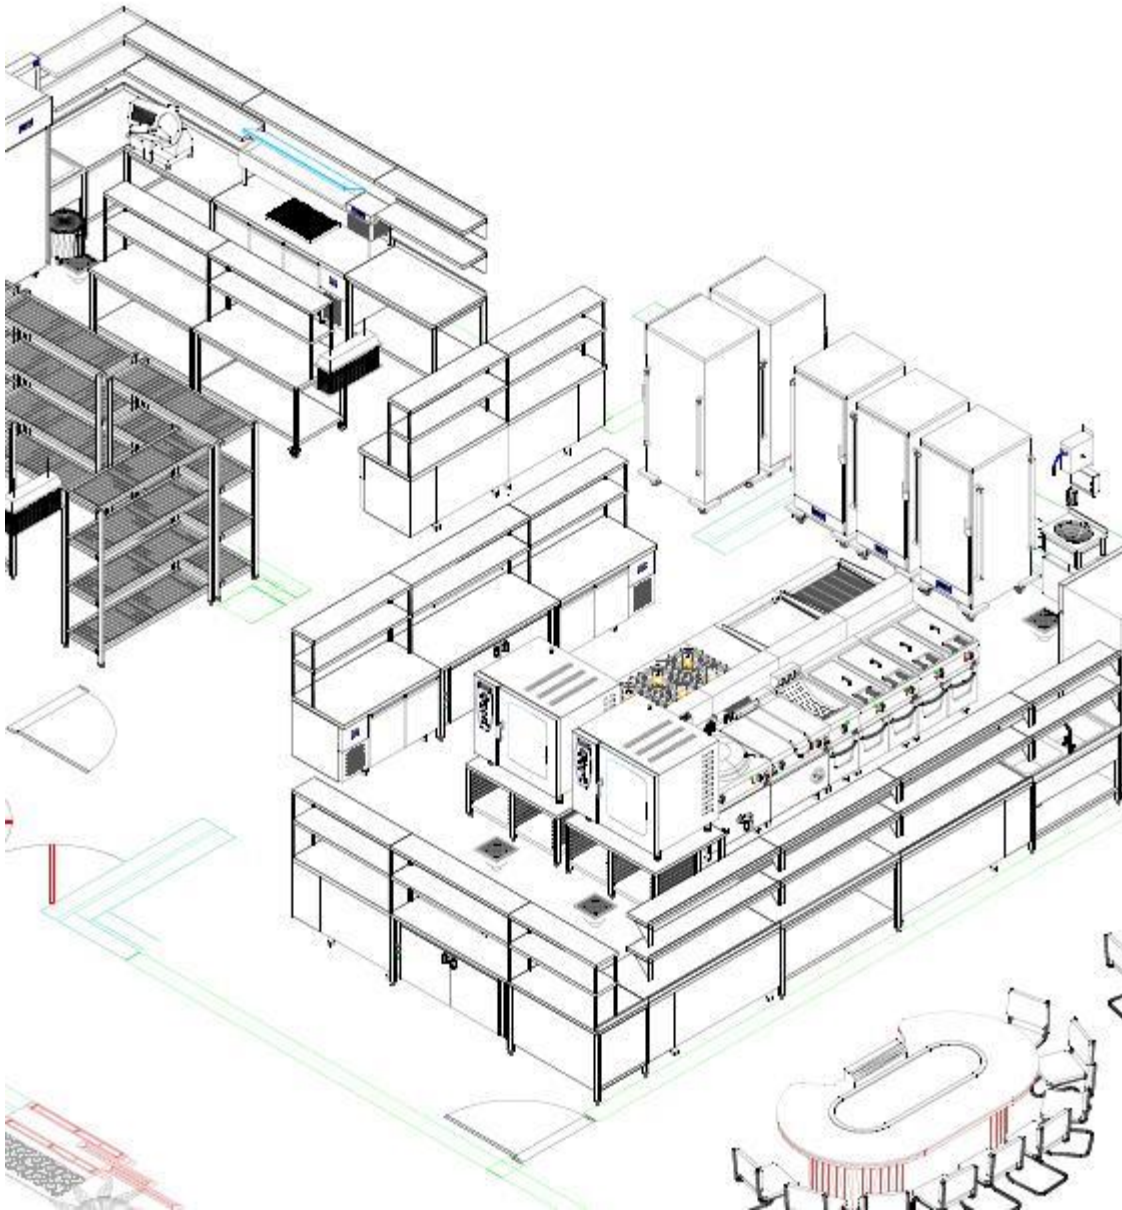

Safety guard switch
Mechanical lift
Thermic protected engines
Self balancing

Custom Made S/S Fabrication

High Material Knowledge and Detail
Solutions

Complete Custom Fabrication for Each
Projects as per Food Service Consultants
(FSC) Specifications

Manufacturing with As Built Dimensions

Workmanship

**Material
(AISI304/316)**

Main Kitchen Equipments

Walk-in Chiller Freezers

Standard panel-type, special designed cooler and freezer rooms.

1kW-10kW power output.

Hermetic compressors and air-cooled condensers.

Customized solutions are provided on request.

Container type cold rooms, walk-in rooms with higher dimensions, rooms with stainless properties, rooms with special doors, water cooled and central unit systems, semi-hermetic units, gas defrosting etc.
