XXL PALLET SHIPPER 2-8°C

RELIABLE TEMPERATURE CONTROL
AND TOP PERFORMANCE

XXL PALLET SHIPPER MEANS RELIABLE PROTECTION WITH EASY HANDLING.

When it comes to transporting temperature-sensitive medication and biotech products, shipping goods not only have to be well protected, but also kept at the right temperature. The XXL Pallet Shipper 2–8°C from Storopack is the ideal solution – and not only because it ensures the optimum temperature and reliable

protection. The pallet shipper can be assembled by just one person in a mere ten minutes. Sensitive medications are easily shipped and kept at the right temperature thanks to the all-season packout and test temperatures from -20°C to 60°C.
