LEGISLATION FAVORABLE TO INVESTMENT

Plan

« Jeunes entreprises » :

A tool established by Paul Midy to unlock funding for early-stage deep tech startups.

Creation of the status « JEIR » :

A condition that defines a Young Disruptive Innovation Company and facilitates fundraising.

Fiscal incentives for business Angels :

A fiscal incentive allowing taxpayers who invest to benefit from a tax bonus of 50% and up to €100,000.

Initiatives to simplify the INVESTMENT of BIG COMPANIES and INSTITUTIONAL PLAYERS

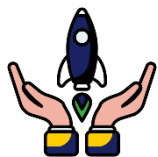

The Tibi 2 plan, endowed with €7 billion to support the development of deeptech and greentech, includes an early-stage component.

Review of 2019-2023:

- ✓ 23 French institutional investors, partners of the Tibi fund.
- ✓ €6 billion in private funds mobilized for the development of tomorrow's technological companies.
