Paola Pagano: Inspiration & details

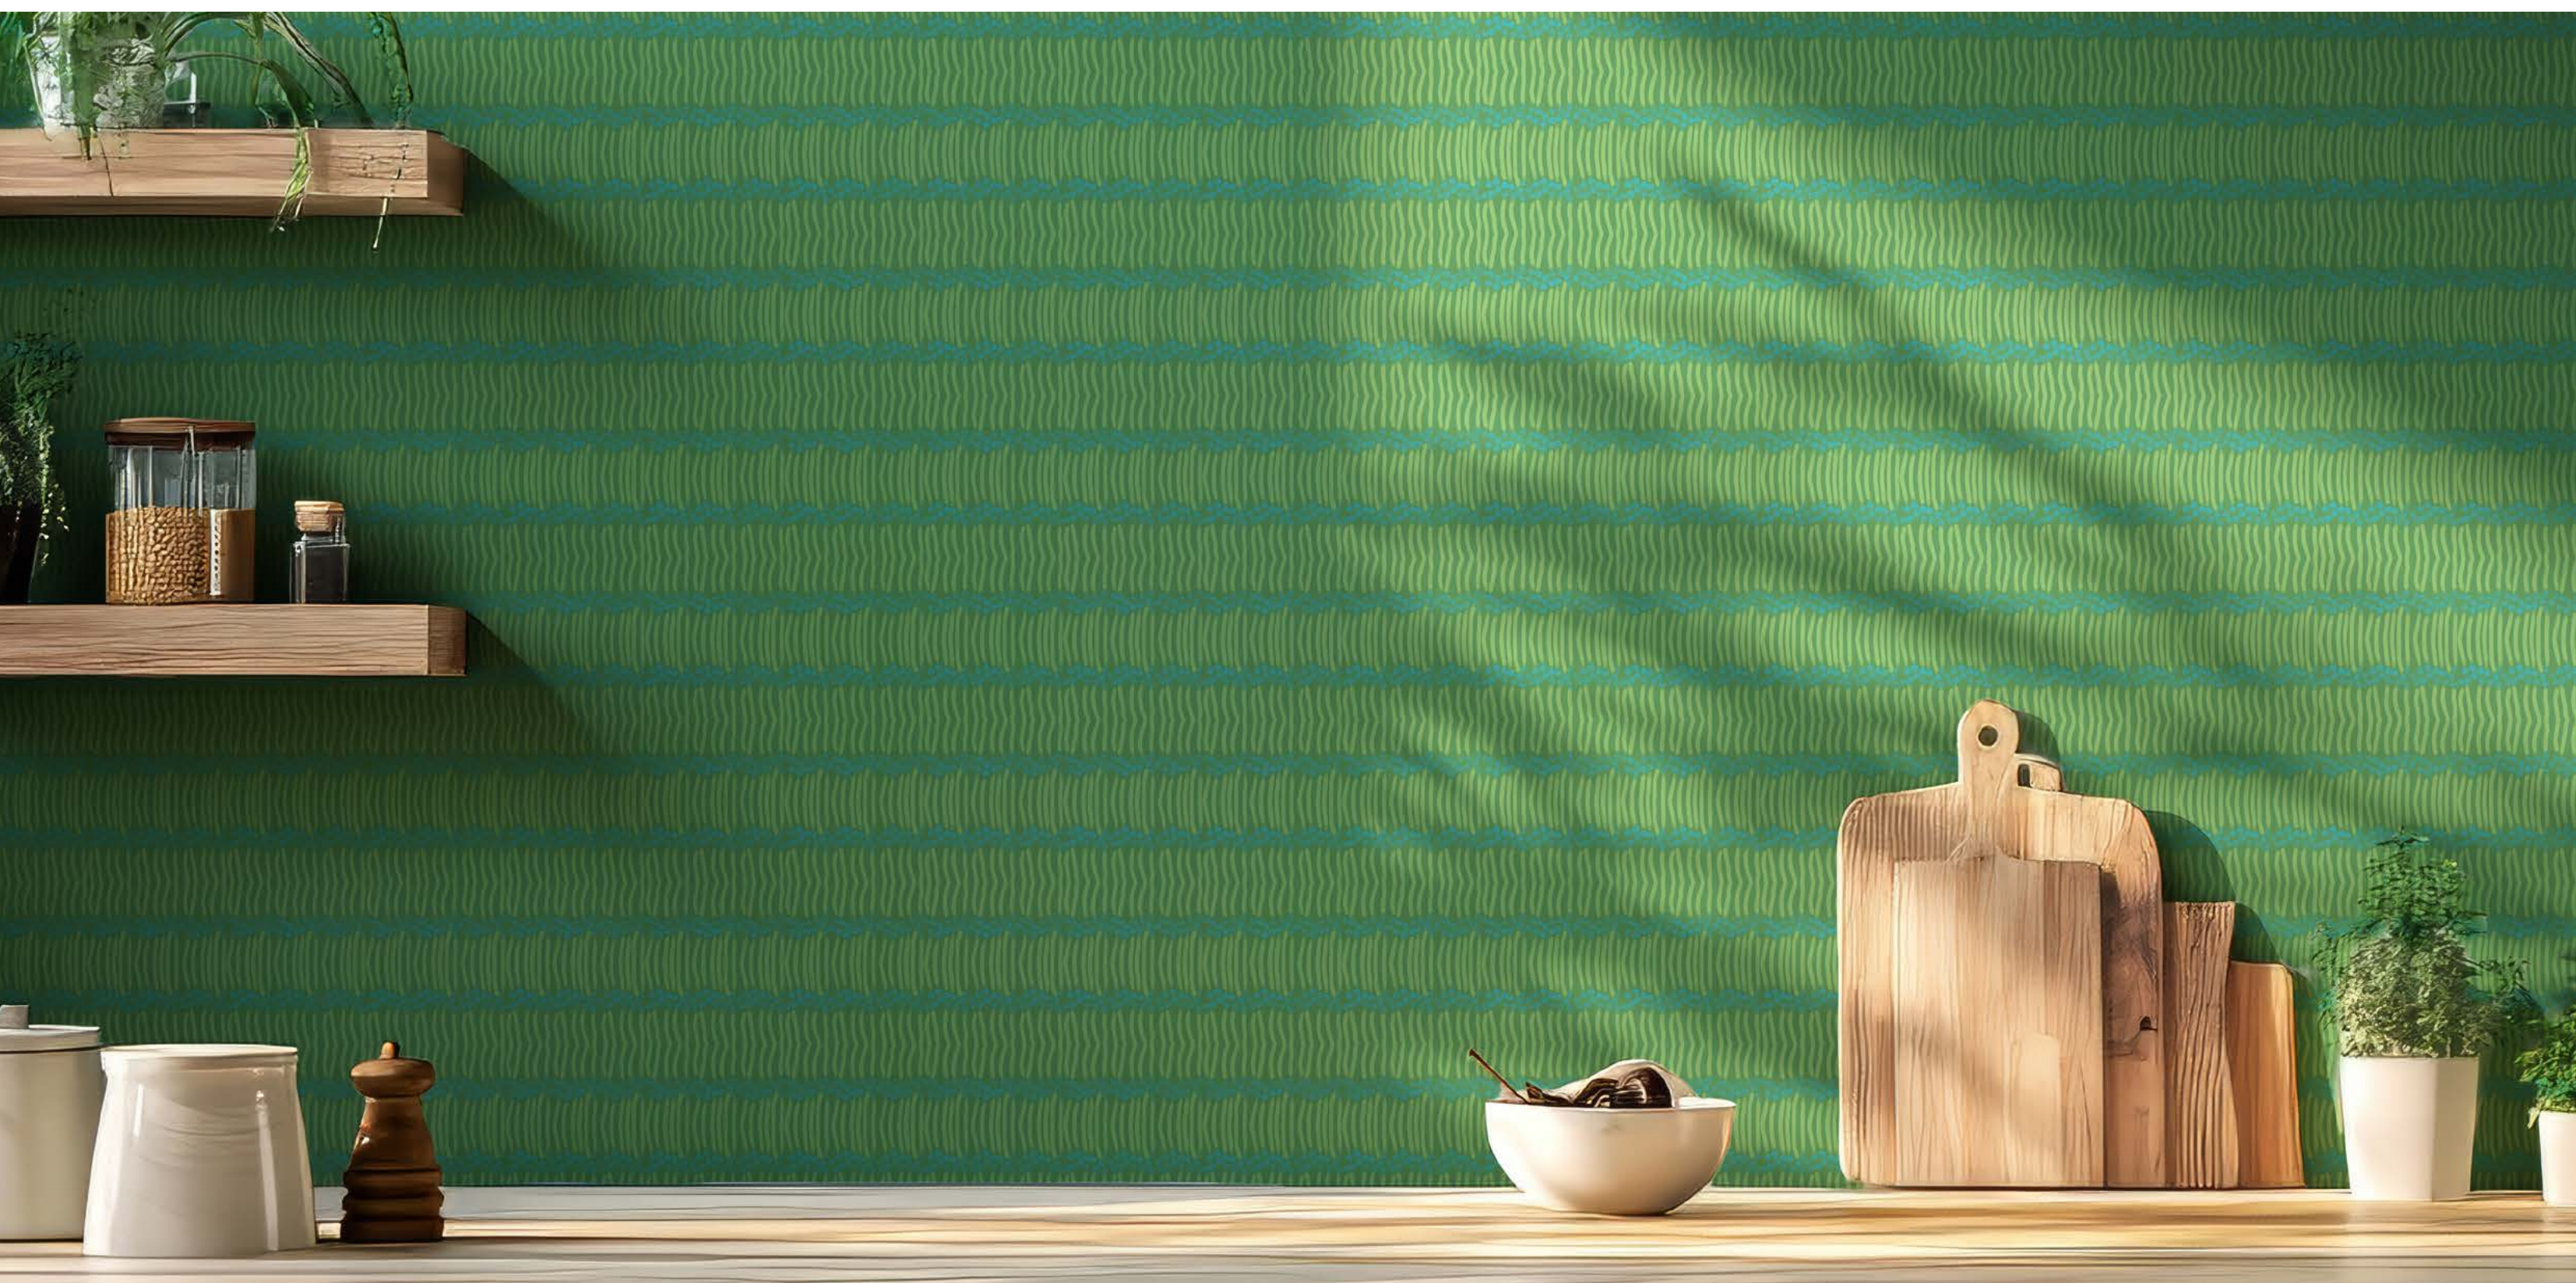

My work is driven by creativity, intuition, and identity. Each pattern is born from a mix of inspiration, details, and personal visions. Here you'll find a glimpse into my world: my face, my style, and the visual essence that defines each of my creations.

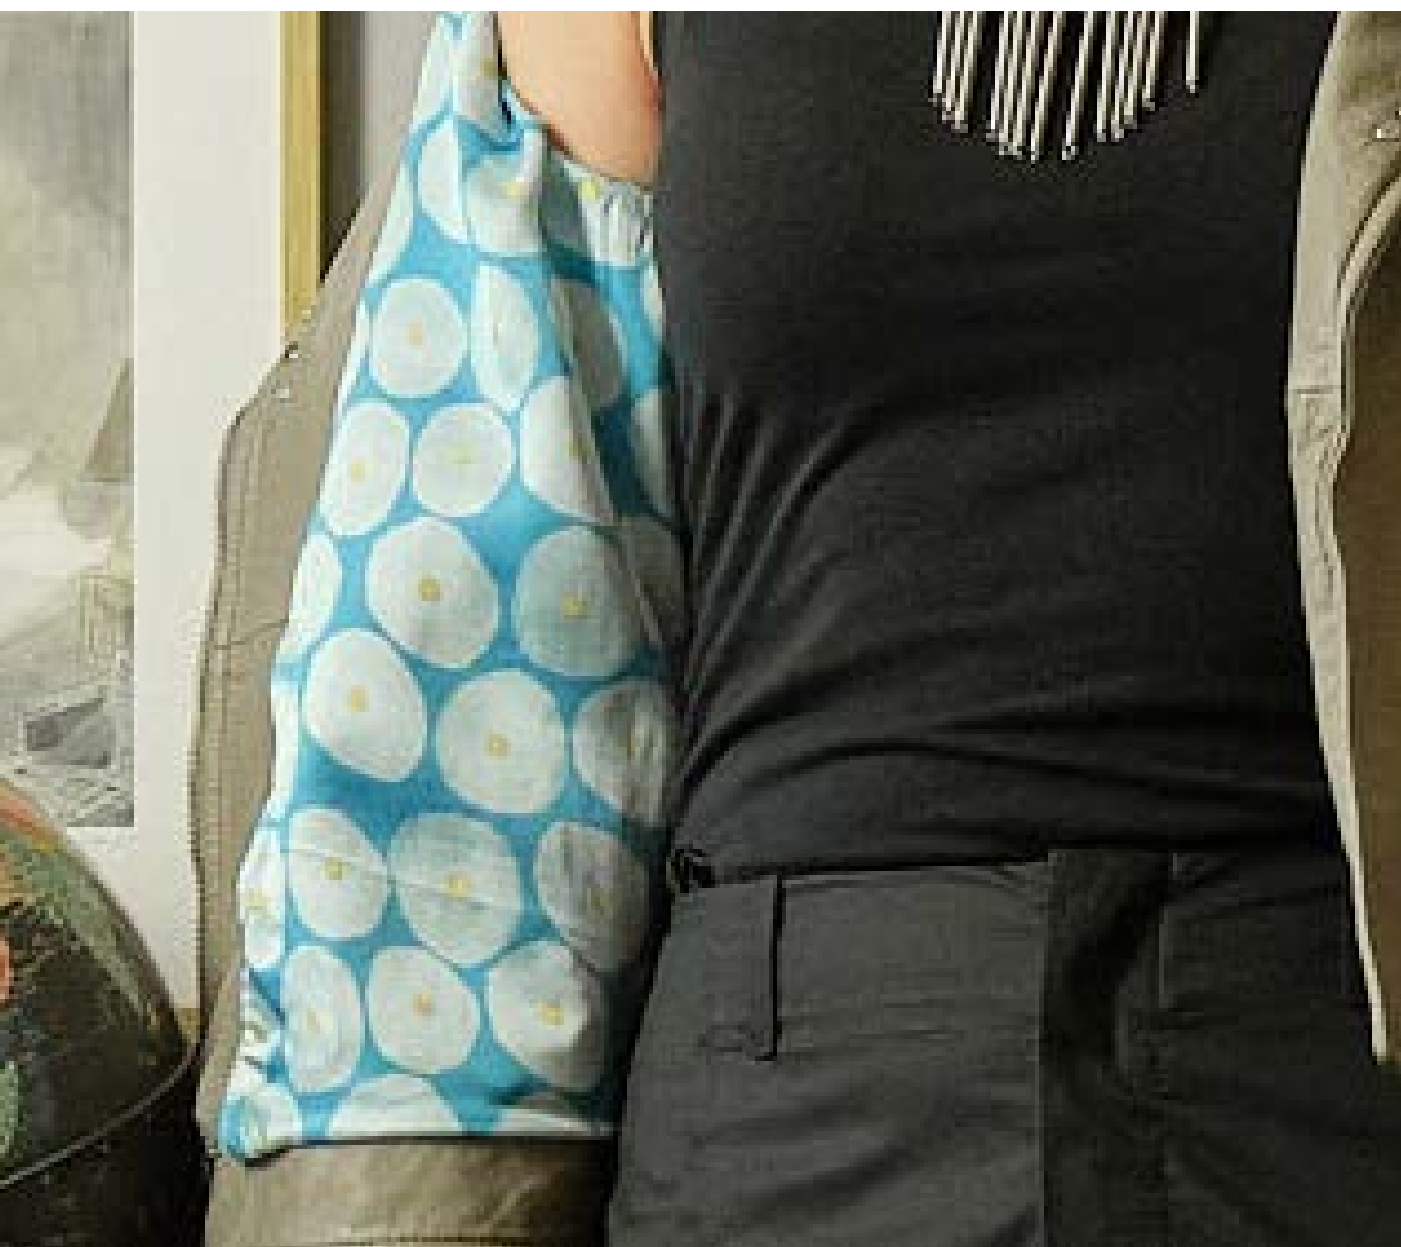

Always fascinated by patterns and color, I turned my passion into a career in design. After studying architecture and illustration, an experience in New York gave me structure, but also the push to find my own creative path. Today I create original prints and patterns, bringing irony and vivacity to the world of textiles and design.

Original designs. Unmistakable style.

I create unique patterns for individuals, furniture companies, and brands seeking customized collections. From home textiles to licensing for exclusive products, I transform every idea into a tactile and visual experience.

FOR YOUR PROJECTS

Art meets artisanal excellence. Collaborating with upholsterers, architects, and furniture brands, I transform ideas into captivating collections. Exclusive patterns enhance every project, from one-off pieces to mass production.
