A STORY OF TASTE AND GENEROSITY

Amuuz Bouche was founded by Wanda Gordts, a true foodie who always wants to offer the very best to her guests.

She wants to share the opportunity with everyone who loves to serve great food, but doesn't always have the time.

Our croquettes are prepared as in her own kitchen. With care. With quality. And always with generosity.

COLLAB WITH TWO MICHELIN STAR CHEF

Glenn Verhasselt in his kitchen at his restaurant Sir Kwinten

Collab with Wanda Gordts
Founder of Amuuz Bouche

Glenn Verhasselt is a two Michelin Star chef who discovered Amuuz Bouche in the supermarket. He called us to co-develop products and endorse the brand through his signature
