SICAREV CO-OPERATIVE

Description

We are a cooperative of cattle and sheep farmers comprising 12 regional branches, historically based in the heart of the Charolais region. Initiated by farmers in 1962, the co-op Sicarev today numbers over 8,000 farmer members.

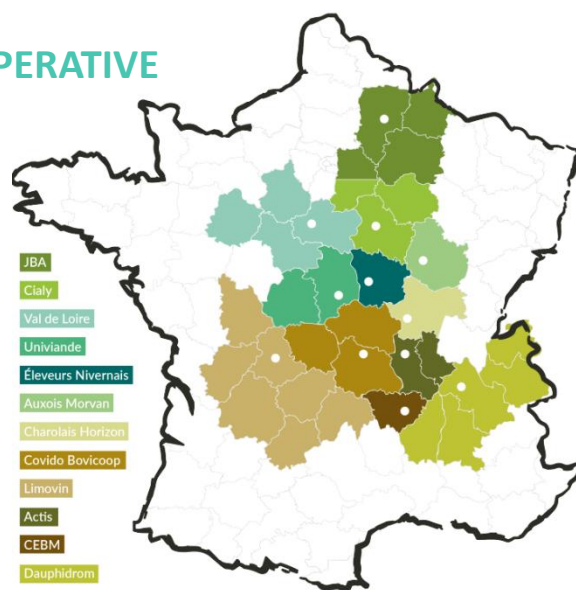

Our role

To maximise the value of all cattle and sheep produced by our farmer members.

To this end, we have chosen to manage the entire supply chain, from rearing through to the processing and marketing of the products.

Principal production

- ✓ Store cattle & sheep
- ✓ Finished cattle & sheep
- ✓ Breeding stock
- ✓ Weaner calves

A specialist technical service

- ✓ Producer organisation
- ✓ Supply of cattle for contract rearing
- ✓ Technical support in terms of production costs
- ✓ Feed & supplements advice
- ✓ Good animal health practise
- ✓ Farm building design & fitting
- ✓ Genetics & reproduction
- ✓ Agri-supplies
- ✓ Livestock, societal & environmental standard qualification
