SICAREV COOP

Description

We are a cooperative of cattle and sheep farmers with 12 territorial sections, historically established in the heart of the Charolais region. The Sicarev cooperative, created in 1962 at the initiative of farmers, today brings together more than 8,000 breeders.

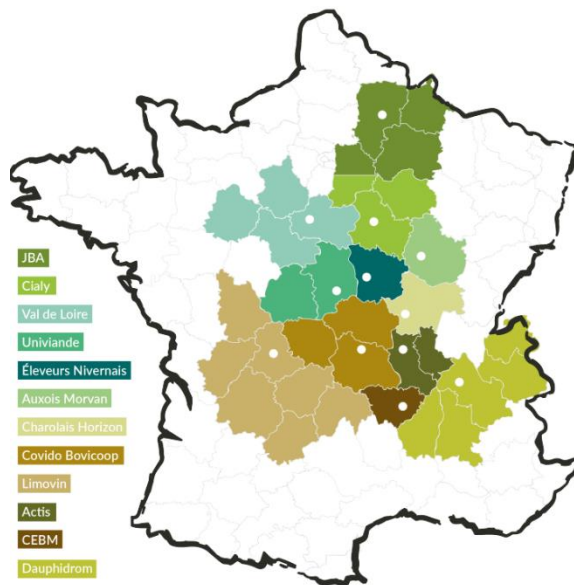

Our mission

To enhance the entire cattle and sheep production of our member farmers.

To achieve this, we have chosen to oversee the whole supply chain, from livestock farming to product processing and marketing.

Main productions

- ✓ Lean cattle & sheep
- ✓ Finished cattle & sheep
- ✓ Breeding stock
- ✓ Newborn calves

A specialized technical service

- ✓ Production planning
- ✓ Implementation of livestock under production contracts
- ✓ Technical support on production costs
- ✓ Advice on feeding and mineral supplementation
- ✓ Animal health prevention
- ✓ Design and layout of livestock buildings
- ✓ Genetics and reproduction
- ✓ Supply of agricultural inputs
- ✓ Farm certifications: social, societal, and environmental
