AVENIR BUSINESS RESSOURCE

01

ABOUT US

OUR STORY

Avenir Business Ressource is an IT company specializing in custom, fast, and tailored digitalization.

We design personalized solutions built for rapid deployment to simplify, secure, and optimize management for businesses and public organizations.

ABOUT OUR FOUNDER

Olivier Boissard, founder and IT project manager, developed his expertise in a range of industries.

With a background as a design engineer, he brings together solid technical skills and an overarching strategic perspective.

02 OUR VALUES

01 Ethics

02 Pragmatism

03 Resilience

04 Transparency

04 OUR SERVICES

EQUIPMENT TRACEABILITY

Instant tracking of assets and equipment — reduce losses and save up to 40% of the time spent on inventories.

VISIT MANAGEMENT

Digitize reception processes to control access, ensure traceability, and simplify compliance across all your sites. Digitize visitor management for your events as well.

CUSTOM DEVELOPMENT

Create tools that reflect who you are: simple, efficient, and designed for your users.

Solutions tailored to your needs: quotes, orders, invoices, and production workflows integrated into a portable ERP.

Website creation and marketing management for your businesses.

Visit our website!

Custom, fast, and tailored solution.
