

Raffias Eco

Coordonné

This Raffias Eco collection brings
together three essential values:
natural aesthetics, sustainability
and *high technical performance*.

Tanabe Chikuunsai IV

Ana Teresa Barboza

In this craft-inspired collection, Coordonné showcases its Bamboo quality, which captures the beauty of natural raffia through a sustainable production process that has helped earn us *B Corp certification*.

Made from cellulose sourced from responsibly managed forests (FSC certified), Bamboo recreates the warm, woven look of bamboo and raffia with an elegant half-matt finish. It is completely plastic-free and produced locally.
