

AURA

Coordonné

To speak of *aura* is synonymous with innate elegance, serene halo and solemn beauty.

Since classical antiquity, linen has been part of Mediterranean life. Grown in fields exposed to the sun and sea breeze.

The Aura collection is inspired by the Roman tradition of thousands of years ago, when seamless tunics were woven to fall naturally and last over time.

Coordonné cares.
Coordonné is part of the global B Corp movement for an inclusive, equitable and regenerative economic system.
