

ISLE MILL
SCOTLAND

Established 1783 our mill has woven
luxury interior fabrics right in the heart of
Scotland. From our rural beginnings on a
family farm in Perthshire called Remony, to
becoming world leaders in Scottish textiles.

In 2025, Bute Fabrics joined the Macnaughton family,
allowing us to expand our collections and offer an
increased level of weaving specialisms. Combining the
finest natural fibres with generations of expertise, our
mills create distinctive textiles that harmoniously blend
heritage craftsmanship and contemporary design.

Inspired by the colours, landscape and the stories
of our homeland, each collection embodies timeless
elegance and truly authentic Scottish character.

Now spanning from the majestic rolling hills of the
Highlands to the rugged beauty of the West Coast Isles,
we truly champion what it means to be made in Scotland.

*From our Highland & Island mills,
to the heart of your home.*

From British wool to elegant sateens. Merino lambswool checks to delicate sheers and textural bouclé. Made to last while bringing comfort and luxury into any space. Beyond our stocked ranges, our talented designers offer a bespoke design service, bringing your vision to life through Scottish woven fabrics.
