

PHILLIP JEFFRIES
SPRING 2026

SPRING 2026

MODERN HORIZONS

Embrace the beauty of nature. Inspired by sweeping landscapes and endless horizons, this collection embodies the untamed elegance of golden mesas and rust-red plateaus. Natural materials, handwoven details, and rich earth tones evoke serenity and strength, while modern craftsmanship elevates organic beauty to new heights.

PHILLIP JEFFRIES

RIBBON WASHI

Inspired by the handcrafted elegance of traditional washi paper, artisans create these bold, large-scale patterns with abaca pulp. Offered in white, create a serene chic look in any space.

WASHI *your way*

IN STOCK & READY TO CUSTOMIZE

Bring texture to life with a limitless palette of color and make it uniquely yours. Whether you choose our white washi wallcovering for a clean, modern look—or paint it to create your perfect shade, we've got your walls covered. Our sales representatives are experts at selection and are here to help.

Just 3 simple steps:

1. Select a washi design and paint color.
2. Install, prime, and paint wallcovering.
3. Enjoy!

Washi products are compatible with latex primer and paint. For the best results, we recommend hiring a professional and following our detailed instructions.

Follow our step-by-step
guide to paint washi

AZRIEL PVC FREE

This geometric design has a soft, minimalist motif with linen-like texture and PVC Free Type II performance durability. The next generation of performance wallcovering is named after the next generation of our PJ Family. Meet all twelve colors of Azriel.

Our PVC Free Type II performance wallcovering contributes toward LEED credits and is made from post-consumer recycled content. It's also low VOC, breathable, and easy to install and remove. The only thing as impressive as our range of colors, designs, textures, and customization options is our short lead times.
