Manifest

Breaking the boundaries and never failing to impress.

We are a contemporary wallpaper brand from Barcelona. Unique designs that smash the stereotypes of interior design.

Collections by avant-garde designers that revolutionise the world of wallcoverings.

An abstract geometric collage composed of various colored shapes. The colors include shades of orange, purple, green, and cream. The shapes are irregular polygons and some are semi-circles, creating a complex, layered composition. The text "we are the wall" is positioned in the lower right area, partially overlapping the orange and green shapes.
